RE: Georgia Open Records Act request — Municipal candidate campaign finance filings, 2018–present

Dear Ms. Capetillo,

Pursuant to the Georgia Open Records Act, OCGA § 50-18-70 et seq., and consistent with the filing requirements of OCGA § 21-5-34 governing municipal candidate campaign disclosures, I request access to and copies of the following records:

1. All Campaign Contribution Disclosure Reports (CCDRs) and any related campaign finance filings submitted under OCGA § 21-5-34 by candidates for the offices of Mayor and City Council Member of the City of Grovetown for the election cycles of 2018, 2020, 2022, and 2024, including any pre-election, post-election, semi-annual, and two-business-day reports of contributions in excess of \$1,000.
2. Any amendments, addenda, or supplemental filings to the above reports.
3. For each election cycle listed, a written statement identifying which candidates were required to file under OCGA § 21-5-34 and which of those candidates did not file one or more required reports, including the report period(s) missing.
4. Any Personal Financial Disclosure Statements or related disclosures submitted to the City Clerk by sitting elected officials of the City of Grovetown during the period January 1, 2018 through the present that are within the City's custody.
5. A statement of the format in which these records are maintained (paper, electronic, or both) and the City's process for accepting and retaining them.

I prefer to receive these records in electronic format (PDF, DOCX, or the format in which they are maintained) delivered by email to **[YOUR EMAIL]**, which avoids per-page copying fees under OCGA § 50-18-71(d).

If your agency anticipates fees exceeding \$25.00 under OCGA § 50-18-71(d), please provide a written cost estimate before incurring the cost. I will respond to the estimate within three business days.

Under OCGA § 50-18-71(b)(1)(A), please respond to this request within three (3) business days. If any portion of the request requires more time to fulfill, please advise in writing within that period of (a) the specific records that will require additional time, (b) the reason for the delay, and (c) when the records will be produced. Under OCGA § 50-18-71(b)(1)(B), if any responsive records do not exist or are not in your custody, please state that in writing within the same three business days.

If you withhold any responsive record in whole or in part, please cite the specific OCGA section authorizing the withholding and identify the record being withheld with enough specificity that I can evaluate the exemption. TownWatch is an independent civic records research project documenting how local governments publish campaign finance disclosures; this request is part of that ongoing research.

Thank you for your assistance. Please reply to:
